FROM ADMINISTRATION

Attendance is important, especially during FSA testing. When your child is tardy, they are missing valuable instruction. Please strive to be on time. School student hours are 7:30 - 2:10, but you can drop your child off any time after 7:00 a.m. Free breakfast is served in all classrooms. The tardy bell rings at 7:35 a.m. Every three tardies will turn into one absence for your child. Please see the important dates above and be aware of when your child will be testing. Make sure your child is well rested and encourage them to do their best. We appreciate all you do at home to help your child be successful!

CAR LINE PROCEDURES

A friendly reminder that WES has a no pass zone in the loop when dropping off or picking up students. This is for the safety of the children, especially when they are getting out on the passenger side. Thank you for your help.

SAC & PTO

Our next meeting will be held on March 13th @ 6:00 p.m. at Williston Elementary School in the Media Center.
